ARWED--The German Coach Horse.

This horse, great in breeding, size, form and strength is the one so badly needed in this part of the country. One of the most pressing needs in horses is size and that should not be overlooked by those who desire to breed. In Arwed the German Coach Horse, you get size, form and action, the three essentials to an all round desirable horse. His first colts were foaled last Spring and out of the entire number there is not a weakling nor one that shows beefy makeup. They are game, neat and fine size and some of them approaching models. No one who appreciates size with form and other desirable features can find a flaw in a single colt. He will serve at \$10 to insure a living colt.

PEDIGREE.—ARWED, No. 2783, sired by Achim, No. 1059; he by Achilles, No. 1313. Dam, Ardo, No. 1000 by Agammennon, No. 560. Arwed is a beautiful brown horse, 16 hands high and weighs 1250 pounds. He is a model horse in size and action.

TWO FINE JACKS.

WALLACE WOOD, a fine Jennett Jack, will serve at \$7. He is 25½ hands high and has proven his worth in siring Jacks as well as half breeds.

WALLACE WOOD was sired by Gov. Wood, he by Wood's Black Jack, Tip Top, he by Peter's Black Hawk, he by Royal Mammoth, he by Old Imported Morings Mammoth. Dam by Black John, 15½ hands high; second dam by Sampson, 15½ hands high; third dam by Thompson's Black Jack, 15½ hands high; fourth dam by Tom Salter's Mammoth.

JACK CHINN, is a black Jack with mealy points, not too large neither too small, but has proven himself an excellent breeder. Some of his colts sold last year for \$100.00. He will serve at \$6 to insure a living colt.

All care will be taken to prevent accidents but not responsible should any occur. Mares will be fed at cost and pastured at \$2.00 per month after May 1st.
